

ELECTRIC VEHICLE RATE SCHEDULE EV

Customer Name: _____ Phone Number: _____ Utility Account #: _____

Service Address: _____, Azusa, CA 91702

Vehicle Make / Model: _____ / _____ Vehicle Purchased/Lease Date: _____

Initial each box below to acknowledge that you have read and understand the following conditions of service:

I will notify Azusa Light & Water within 3 business days if I no longer possess the above electric vehicle and understand that the electric rate discounts provided herein shall be terminated.

I understand my price for electricity as set by Azusa Light & Water shall be discounted by 5 cents per kWh for all electricity consumed during the hours of 10 p.m. and 6 a.m. in excess of 50 kWh, and that the discount for electricity shall not exceed 500 kWh per billing period.

I acknowledge that Azusa Light & Water shall have the right to install an electric time-of-use (TOU) meter, at its cost, which is capable of determining electric usage during the discount hours designated above. If it is necessary to replace the meter plug-in device ("meter can") to accept the special meter, I understand that I may be required to install a new meter can and associated equipment at my cost.

The electric vehicle electricity discount as provided in Azusa Light & Water's "Schedule EV" shall become effective on January 1, 2017 and will expire when replaced or canceled.

A copy of the purchase/lease agreement and California Vehicle Registration has been attached and is a part of this agreement. Failure to include will delay the application process.

Certification

I hereby certify that the above information is true and correct and that all submitted documents attached hereto are representative of the facts and circumstances warranting consideration by Azusa Light & Water to be granted an "Electric Vehicle Rate" discount as defined in EV Schedule of Azusa Light & Water's Rules and Regulations.
