Participant Agreement

The water-efficient product(s) marked above have been installed at the Azusa location indicated. I have attached a copy of the itemized proof of purchase sales or paid invoice other required documentation. I understand that falsifying information may lead to my disqualification from this incentive program and that Azusa Light & Water will take appropriate actions to recover the rebate amount. Funding is limited and this program is subject to change or cancellation without prior notice. I have read and agree to these terms and to verification of installation by an Azusa Light & Water representative, or contracted third party, as necessary.

I further understand that all residential rebates **will be applied as a credit to my water utility account** on or after the next billing cycle. Commercial/Industrial/Institutional rebates will be issued as a check.

NOTE: If your rebate amount is \$600 or more you will receive a 1099 form to comply with Internal Revenue Service requirements. The determination of whether your rebate is taxable or not may depend on several variables. You are recommended to contact your tax professional.
