

STATEMENT OF ANDREW MENDEZ
CANDIDATE FOR MEMBER OF THE CITY COUNCIL
AZUSA CITY GENERAL MUNICIPAL ELECTION

Occupation: Businessman

As a leader in our community, I have worked in conjunction with our city officials and civic groups to make life better for our entire community. I fight for all. Like our Senior citizens, many of whom live on a fixed budget and must fight to make ends meet; our youth who need after-school programs to help mold them into productive citizens; family breadwinners who want the ability to raise their children safely; veterans; and people experiencing poverty and homelessness.

We are a small community and every penny spent in City Hall counts. As a Businessman, husband, and father of five children I know we need to be smart, frugal and disciplined to ensure that our tax dollars are not wasted and that they make an impact in elevating our quality of services for residents.

I will continue championing our business community and fighting to bring outside resources to enhance the quality of life for all. I will guard our resources, strengthen public safety, increase business development and advocate for smart homeownership/housing. That is my promise to you.

I respectfully ask for your vote on March 3rd!
