CANDIDATE FOR MEMBER OF THE CITY COUNCIL

AZUSA CITY GENERAL MUNICIPAL ELECTION

Age: 49

Occupation: Operations Manager

I am a life-long resident of Azusa and honored to have been appointed by the City Council to serve on the Planning Commission since 2011. Serving our community in this role has given me considerable experience in maintaining and implementing the City's General Plan and associated Specific Plans. Thanks to these opportunities, I have developed extensive knowledge of the physical, social and economic development of this City.

Professionally, I have experience as a Supervisor/Director/Manager in the areas of Manufacturing, Non-profit and retail. My skills include planning, organizing, motivating, staffing and financial control.

I am a proven advocate for Azusa's economic development, but also the City's youth, elderly, and citizens in need.

I promise that I will strengthen the economic future of our city while maintaining fiscal responsibility. I will ensure our City Council maintains high standards of government transparency and accountability. I will preserve the quality of life as our city continues to grow, and I will make certain that Azusa residents are represented with integrity and respect.

My goal is to continue moving Azusa forward. **My promise** is to never forget who we are.

I humbly ask for your Vote for Azusa City Council on March 3rd!
