

MEMORANDUM

To: Friend and Colleague
From: Joe Jacobs, Director of Recreation and Family Services
Subject: "Field of Dreams" Tile Tribute Program
Date: March 5, 2007

The City of Azusa Recreation and Family Services Department will soon reopen its "Field of Dreams" at Gladstone Park for the 2007 Pony Baseball Season. "Field of Dreams" is a project that has seen nearly \$400,000 in park improvements in the last six months; as well as an additional \$75,000 in parking lot and concrete improvements to be completed shortly. If you are a past program participant, a baseball fan or if you simply would like to become involved and pay tribute in the form of a personalized tile, honoring your individual, family or business sponsorship, here is a great opportunity to do so. The entry monument (as shown below and on the reverse side) truly is a civic treasure, a City of Azusa, who's who?, as well as a great conversation and meeting place. I would also encourage all who have participated in the Pony Baseball Program in the past to solidify those fond memories by purchasing a tile tribute. The tiles will become a permanent fixture at Gladstone Park. Funds raised will go towards new "Field of Dreams" amenities such as silk screened on deck circle pads, new coaching boxes and shade shelter for the dugouts. Thank you for your support of this project and for your continued support of the Recreation and Family Services Department. If I can be of any assistance to you in your decision making process, please feel free to call me at (626) 812-5220.

Your tile tribute goes right here

"Creating a Lifetime of Memories for the Entire Family"
